

Sri Lanka Visiting Name List from College of Science & College of Marine Sciences, National Sun Yat-sen University, Kaohsiung, Taiwan
Visiting Date: 2018/03/11(Sunday)Arrival~03/15(Thursday)Departure

No	College	Department or Institute	Name-English	Title	Specialty/ Research
1	College of Science	Department of Chemistry	Ming-Jung Wu	Dean	Transition metal catalyzed organic reactions, Design and synthesis of new antitumor agents, Total synthesis of natural products.
2	College of Science	Department of Biological Sciences	Yu-Chung Chiang	Chair	Botany, Biogeography, Phylogeography, Population genetics, Molecular Evolution.
3	College of Science	Institute of Biomedical Sciences	Yow-Ling Shieue	Chair	Genomics, Bioinformatics, Genetics, iPS, Drug mechanisms, gene regulation/signaling transduction.
4	College of Science	Institute of Medical Science and Technology	Cheng-Tang Pan	Chair	Application of Biomedical Materials, Medical Assistive Devices.
5	College of Science	Department of Chemistry	Po-Chiao Lin	Associate Professor	Organic synthesis, Chemical biology, Design and synthesis of chemical probes, Glycoprotein microarray.
6	College of Science	Department of Physics	Techun Cheng	Chair	Semiconductor Physics, Non-linear Optics, ultrafast spectroscopy Nonlinear organic-polymer, carrier dynamics of semiconductor.
7	College of Science	Department of Physics	Fengchuan Chuang	Professor	Surface Physic, Computational Physics.
8	College of Science	Department of Physics	Chien-Cheng Kuo	Associate Professor	Nanostructure Physics, Surface Physics, Spintronics Physics
9	College of Marine Sciences	Department of Marine Environment and Engineering	Hsien Hua Lee	Dean	Offshore Structure, Coastal Engineering Materials, Earthquake Engineering

Sri Lanka Visiting Name List from College of Science & College of Marine Sciences, National Sun Yat-sen University, Kaohsiung, Taiwan
Visiting Date: 2018/03/11(Sunday)Arrival~03/15(Thursday)Departure

No	College	Department or Institute	Name-English	Title	Specialty/ Research
10	College of Marine Sciences	Department of Marine Environment and Engineering	Lei Yang	Professor	Marine Pollution Control, Marine Environmental Engineering, Biological Wastewater Treatments, Environmental Microbiology, Environmental Chemistry
11	College of Marine Sciences	Department of Oceanography	Keryea Soong	Professor	Benthic Invertebrates, Coral Reef Biology, Population Biology
12	College of Marine Sciences	Department of Oceanography	Ching-Nen Nathan Chen	Professor	Biodiversity of tropical and thermotolerant microalgae, Regulation of lipid and carotenoids biosynthesis in microalgae
13	College of Marine Sciences	Department of Marine Biotechnology and Resources	Hsin-Yang Chang	Assistant Professor	Enzyme structural biology, Industrial enzymes studies, Algae/plant membrane protein biogenesis, Protein chemistry, Biochemistry
