6th & 7th September 2018

Bandaranaike Memorial International Conference Hall, Colombo.

Newly Open Buddhist Shrine

Most Ven. Hikkaduwa Sri Sumangala Thero

Most Ven. Welivitiye Soratha Thero

The University of Sri Jayewardenepura dates back to 1873, when the Most Ven. Hikkaduwa Sri Sumangala Thero laid the foundation stone for the University as the “Vidyodaya Pirivena” in 1958, Vidyodaya Pirivena was given the status of a University under the Vidyodaya University and Vidyalandkar University Act No. 45 of 1958. The Most Ven. Welivitiye Soratha Thero, who was the principal of the Vidyodaya Pirivena that time was appointed the first Vice Chancellor of the University. The University was ceremonially opened on 16th February 1959 as the Vidyodaya University of Ceylon. In 1977, the University was re-named as the University of Sri Jayewardenepura along with the introduction of several other structural changes in the higher education sphere of the country.

Since then the University of Sri Jayewardenepura has evolved into a fully fledged University with new Faculties, Departments and other innovations and expansions thus becoming the largest University in terms of student population in Sri Lanka, with more than 13000 students. The most significant recent breakthroughs are the additions of the Faculty of Engineering and the Faculty of Technology which makes the total number of Faculties 07. These two have also introduced a number of new academic departments so that now the University serves its student body through 60 such departments.

In achieving excellence in research, which is a vital role expected from a University, 17 research centers including Environment Quality Management Research such as Water Quality and Nano Technology, Robotics and Intelligent System Sustainability, Apple Research and Development, Humanities and Social Science Research Management and Business Development Research, Medical Research such as Dengu, Cancer, Primary Care, Biotechnology and Kidney Research Public Policy and Postgraduate Research Coordination have been established over the last few years which are coordinated by the Research Council of the University. Accordingly, the University of Sri Jayewardenepura aspires to be the centre of excellence for research in the South Asian region as well as a driving force behind the prosperity and growth of mother nation, staying true to its noble vision: 'Prosper Lives Through Education'.
