

2019 NSYSU Delegation List for the Grand Opening of the Joint Center

No.	First Name	Last Name	Title	Department	Research Interest/ Expertise
1	Dr. Mitch Ming-Chi	Chou	Vice President/ Professor	Office of Research & Development / Department of Materials and Optoelectronic Science	Epitaxial Growth, Electro-Optic Materials, Single Crystal Growth
2	Dr. Hsien-Hua	Lee	Dean/ Professor	College of Marine Sciences/ Department of Marine Environment and Engineering	Offshore Structure, Coastal Engineering Materials, Earthquake Engineering
Taiwan and Sri Lanka Environmental Change Sciences and Technology Innovation Center					
3	Dr. Chin-Chang	Hung	Deputy Dean/ Professor	College of Marine Sciences/ Department of Oceanography	Marine Chemistry, Marine Radiochemistry, Marine Organic Chemistry, Marine Environmental Chemistry
4	Dr. Yu-Chung	Chiang	Chairman/ Professor	Department of Biological Sciences	Plant Genetics, Population Genetics, Molecular Evolution, Phylogeography and Conservation Genetics
5	Dr. Chih-Chuang	Liaw	Chairman/ Professor	Department of Marine Biotechnology and Resources	Natural Products Chemistry
6	Dr. Wen-Chen	Chou	Professor	Institute of Marine Environment and Ecology, National Taiwan Ocean University	Chemical Oceanography, Marine carbon chemistry, Stable Isotope Geochemistry

7	Dr. Shih-Hsiung	Wu	Professor	Institute of Biological Chemistry, Academia Sinica	Chemical Biology: protein and carbohydrate chemistry
8	Dr. Wei-Jen	Huang	Assistant Professor	Department of Oceanography	Marine Chemistry, Carbon cycling and dynamics under climate change, focusing on river-to-ocean interaction, air-sea gas exchanges, coastal biogeochemistry, and ocean acidification
9	Mr. Hsueh-han	Hsieh	PhD student	Department of Oceanography	Marine Chemistry and biology
Administrative Staff					
10	Ms. Ruru	Chiang	Senior Special Assistant	Office of Research & Development	Research collaboration between NSYSU and universities abroad
11	Ms. Ming-Hsiu	Chuang	Research Assistant	Taiwan and Sri Lanka Environmental Change Sciences and Technology Innovation Center/ Department of Oceanography	Marine Chemistry
