

## INVITATION

國立中山大學  
National Sun Yat-sen University

### Joint Symposium by National Sun Yat-sen University, Taiwan & University of Sri Jayewardenepura

on

### “Towards a Better Environment: Challenges and Solutions”

29<sup>th</sup> November 2019

The Symposium is organized to protect the environment to guarantee a better public health to ensure its lasting survival for our future generations and a guiding light to the world by adding value utilizing cutting-edge technology.

To address the challenges by environmental changes, we are honoured to organize the Symposium on “**Towards a Better Environment: Challenges and Solutions**” in collaboration with National Sun Yat-sen University (NSYSU), Taiwan. (<http://www.nsysu.edu.tw/>)

**Date:** 29<sup>th</sup> November 2019  
**Time:** 02.00 PM to 04.00 PM  
**Venue:** Auditorium, Faculty of Applied Sciences, University of Sri Jayewardenepura

The symposium will be graced by the following Key Speeches, followed by a Brainstorming session.

- *Air pollution, Environmental Changes and Public Health: Current Challenges in Aerosol Science Studies* by Prof. Chia C. Wang, Director, Aerosol Science Research Center, NSYSU

- *Wonders of Nature: Writes the Story of Slow Dance of Molecules* by Prof. Nilwala Kottegoda, Department of Chemistry, Faculty of Applied Sciences, USJP

- *Mineral Dust Aerosols: Air We Breathe and Climate Change* by Prof. Pradeep M. Jayaweera, Department of Chemistry, Faculty of Applied Sciences, USJP

The Symposium will have a key focus on:

- ✓ Joint/Split double M.Phil/Ph.D programs
- ✓ Tuition waiver scholarships by NSYSU
- ✓ Multidisciplinary research collaborations leading to innovative product development with NSYSU, Taiwan and USJP.
- ✓ Public Private Partnerships linking industry and academia leading to product development targeting the global market

It is a great honour to invite you and interested members from your organization to participate in the Symposium and the interactive session.
