

Invenção an innovative idea competition has been organized by the **Physics Society of the University of Sri Jayewardenepura** in collaboration with the **Sri Lanka Inventors Commission**. The competition **is open for all the undergraduates and postgraduates in the Faculty of Applied Sciences** and is intended to encourage and establish an innovative culture among the undergraduate students by providing a road map for a positive change in society.

Competition Overview

Invenção

- This competition consists of 2 rounds.
- Individual or groups with a maximum of 3 members are eligible to participate, participants must be current undergraduates or postgraduates in the Faculty of Applied Sciences.
- All teams and individuals can be pre-registered via https://forms.gle/84SPpUdSZgZ5aseN9 on or before 25th February 2022.
- In the 1st round, all individuals/teams should submit the application and all required materials via https://forms.gle/JyNSbgAe5pwXAiwZ9 on or before 28th February 2022.
 - Ocompetitors should prepare an **Idea Proposal** (PDF **format**) adhere to the format given on the website about their innovation idea to be submitted with the application form. (Insert link to access the form)
 - O You should upload an **introductory 3-minute video** (.mp4 format) describing your idea when filing your application. (Max. 30MB with resolution 720p). It should describe your innovative idea briefly with relevant information of related field, practicability, procedure, resource requirements etc. <u>Don't insert any names and</u> affiliations in the video.
 - The above two files should rename using your name with initials (eg: HSK Perera).
 For the group, competitors rename with initials of the group leader_G (eg: HSK Perera G)
 - o For group competitions, only the group leader must submit the document and fill the application with the details of the group members.
- All submissions will be judged by an expert judge panel from academia and industry.
- Competitors' innovative ideas and concepts will be kept private and confidential.

• In the final round, the finalists will present their innovative idea followed by the Q&A session with the judging panel.

Evaluation Criteria

- In all aspects the invention should be strong and reliable.
- The product should not be a threat to any living being.
- Models or ideas of existing products or working processes won't be accepted.
- Products or ideas obtained from the internet should be referenced and proper modifications should be made to make sure the product or the idea is your own.
- Novelty of the invention/innovative idea presented.
- Accuracy of the design and procedure.
- The instruments and techniques used to improve the productivity of the invention.
- The ability to make the idea into a reality.
- Estimated budget

Timeline

- Registration opens: 24th January onwards
- Virtual webinars: 1st, 2nd and 3rd February
- Deadline for the idea submissions: 28th February
- Announce 1st round winners: 30th March
- Presentations and Q&A session for the final round: 20th April

Certificates & awards converting an idea to a product

- ❖ The best three innovative ideas are entitled to award the grants from Sri Lanka Inventors Commission to convert an idea into a product. The selected groups/individuals are responsible themselves to find the academic mentors so that the grant would be issued through the permanent lecturer.
- ❖ The plaques will be given to the best three innovative ideas.

- ❖ A valuable certificate will be given to the final round of selected groups/individuals.
- ❖ A valuable e-certificate will be given to all other qualified participants.

Day1	"Introduction to the competition" Ms. Nimna Peiris
1 st Feb.2022 at 7.00 pm	Coordinator of the Invenção Competition. Physics Society
	"Role of inventors commission to promote innovation"
	Prof N M S Sirimuthu,
	Commissioner, Sri Lanka Inventors Commission
	Professor, Department of Chemistry, USJ
	How to introduce an innovation to the industry and Entrepreneurship"
	Dr. Rukmal Weerasinghe,
	Senior Lecturer/ Department of Entrepreneurship, USJ
	Chairman – Center for Entrepreneurship and Innovation
	https://learn.zoom.us/j/68698595478?pwd=ZkJzZFRZWlFtZVBuYm1QcWN4WjFVUT09
Day2 2 nd Feb. 2022 at 7.00 pm	 Prof. Laleen Karunanayake, Dean, Faculty of Applied Sciences, USJ (20 min) Prof. Upul Subasinghe, Head, Department of Forestry & Environmental Sciences, USJ (20 min)
_	3. Prof. S B Navarathne, Department of Food Science and Technology, USJ (20 min)
	4. Prof. P K D D P Pitigala, Department of Physics, USJ (20 min)
	5. Dr. N C Ganegoda, Department of Mathematics, USJ (20 min)
Day3	https://learn.zoom.us/j/68698595478?pwd=ZkJzZFRZWlFtZVBuYm1QcWN4WjFVUT09 1. Prof. Hiran Amarasekera, Department of Forestry & Environmental Sciences,
3 rd Feb. 2022	USJ (20 min)
At 7.00 pm	2. Prof. Nilwala Kotegoda, Head, Department of Chemistry, USJ (20 min)
	3. Prof. Methika Vithanage, Managing Director, Ecosphere Resilience Research Centre (20 min)
	4. Dr. W K I Wanniarachchi, Department of Physics, USJ (20 min)
	5. Dr. Thiyanga S. Talagala, Department of Statistics, USJ (20 min)
	6. Mr Adhisha Gammanpila, CEO & Co-Founder Luhn https://learn.zoom.us/j/68698595478?pwd=ZkJzZFRZWlFtZVBuYm1QcWN4WjFVUT09

Organized by Physics Society, University of Sri Jayewardenepura in Collaboration with Sri Lanka Inventors Commission

Idea Proposal
