Jayewardenepura came into existence after being renamed in 1978.

The University consists of eleven faculties namely, Faculty of Humanities and Social Sciences, Faculty of Applied Sciences, Faculty of Management Studies and Commerce, Faculty of Medical Sciences, Faculty of Graduate Studies, Faculty of Technology, Faculty of Engineering, Faculty of Allied Health Sciences and Faculty of Dental Sciences, Faculty of Urban and Aquatic Bioresources and Faculty of Computing. The latest addition to the University is the Faculty of Computing established in June 2022. The very first batch of students of this faculty will be starting their academics in early 2023. The University

currently has 86 departments of study dedicated to various fields, which continues to grow. The University also has an affiliated Institute named the Postgraduate Institute of Management (PIM) which has expanded its operations to the Middle East as well, providing much needed postgraduate education in management studies.

In order to provide a better learning environment, the University is currently in the process of expanding its infrastructure. The new faculty complex for the Faculty of Engineering is currently being built in Matugoda and the construction of new faculty complexes for Faculties of Humanities and Social Sciences and Management Studies and Commerce in the University premises in Gangodawila are

currently underway.

The University of Sri Jayewardenepura is in the fore front in academics and research. A most recent achievement of the University is becoming the 2nd best University in Sri Lanka in the Webometrics Ranking of July 2022. The University comprises of more than 25 research centres, carrying out extensive research on a wide variety of subject matter.

The undergraduates in the University of Sri Jayewardenepura are provided with modern facilities to develop their talents in sports and skills in leadership. Students of the University have been able to secure many awards and accolades in many local and international competitions. The University also encourages and sponsors many student-led clubs and societies that builds leadership, soft skills and team work.

The University of Sri Jayewardenepura is a prestigious institution with a long history and is a pillar of strength to the higher education sector of Sri Lanka. A student who steps out in to the world from the University is equipped with the necessary knowledge and experience coupled with leadership, soft skills and humility and is capable of providing an exceptional service to their motherland and the world.

MESSAGE FROM THE VICE - CHANCELLOR

I take great pleasure in penning down a few words on the occasion of the 48th Convocation of the University of Sri Jayewardenepura. This Convocation Ceremony will be held from 21st to 23rd October 2022 at the Bandaranaike Memorial International Conference Hall (BMICH), where 3373 undergraduates, 478 postgraduate and 19 PhD students will be conferred with their degrees, which they have earned through sheer hard work and dedication. Furthermore, this Convocation Ceremony has been made even more vibrant with an upgrade to the convocation cloaks and sashes and with the addition of a cap for postgraduates. This is indeed a special occasion for the students as well as parents and significant others as this occasion is the first of many more milestones in your lives. Through the knowledge and experiences you have gained from the University, by it academic or extra-curricular, you will be able to reach great heights in your respective careers and be of service to our mother nation.

Therefore, I convey my congratulations to everyone who is graduating today.

The University of Sri Jayewardenepura, which has been your second home for the last few years, is the largest University in Sri Lanka in terms of student population with more than 14,000 undergraduates and 1600 postgraduate students. The University comprises of eleven faculties, the latest addition being the Faculty of Computing which was established in

June 2022. Keeping in mind the vision and the mission of the University, it has come a long way since its establishment, as indicated by the large number of faculties providing much needed higher education in various fields of study to the younger generation of Sri Lanka.

The University of Sri Jayewardenepura is in the forefront of research and academics as is evident by becoming the 2nd best University in Sri Lanka

in July 2022 according to the Webometrics ranking. The University managed to climb higher in the ranking from 4th place to 2nd place within one year's time. The contribution from the University of Sri Jayewardenepura towards research in Covid-19 virus and its variants and towards many other research areas paved the way for the University to become a highly recognized institution for tertiary education.

Apart from providing an outstanding academic experience, the University also prides itself for being the centre for many achievements in the arena of sports, extra-curricular activities and entrepreneurial ventures. With the state-of-the-art facilities provided for the students, they have managed to make their alma mater proud by winning many competitions and championships.

As a proud alumnus of the Faculty of Applied Sciences of this University and Former Dean of the Faculty of Applied Sciences and Technology, it gives me great joy to see all these young graduates

stepping out in to the world after having a wholesome experience at the University. I have no doubt that the knowledge, experiences and soft skills that you have gained from the University will greatly benefit you as you climb up the career ladder. From the qualification that you have gained today, you will be able to serve your community and the citizens of this country. Therefore, I wish you all the very best for all your future endeavours and I am sure that you will make your alma mater proud.

MESSAGE FROM THE DEAN OF THE FACULTY OF HUMANITIES AND SOCIAL SCIENCES

On behalf of the Faculty of Humanities and Social Sciences of the University of Sri Jayewardenepura, it is with immense pleasure that I convey my heartfelt congratulations to all our graduates. We are deeply humbled

with personal and professional development skills that you have acquired, I believe that you would undoubtedly be able to steer the course of our future to set a better tomorrow. As the world is changing nowadays, ripples from the current situation have spread into the personal, social, economic and educational spheres. Since the emergence of the COVID-19 pandemic, we were suddenly forced to adapt to the 'new normal', online and physical blended learning setting, lockdowns and quarantine. However, I am pleased to say that you were able to adapt into these crises as undergraduates and now you have successfully accomplished every hurdle you confronted within the last few years. The credit is also due to the administration and your Lecturers who gave their fullest effort in paving

the path for you to become graduates during this tough time. Being graduates in the fields of Humanities and Social Sciences, the world is in dire need for your innovative opinions for the welfare of the society. Your insightful perspectives associated with critical thinking and your passion are vital, especially at present, when we must recover from the grueling circumstances that we have been compelled to reckon with. Hence, we look forward to see you fulfill our faculty's mission, to be committed to the development of the community and the nation at large through the dissemination and enhancement of knowledge enriched with the country's cultural heritage. I sincerely hope that you will proceed to seek new challenges to gain more knowledge in order to expand your horizons in the journey ahead of you.

In the years to come, I anticipate that you would be connected with your alma mater to share your remarkable triumphs that you are yet accomplish. We are all immensely proud of the hard work and the dedication you have put forth in the course of your studies and I assure that these attributes will continue to serve you well in the future. While reminding you that you will always be a part of the Japura alumni, I warmly wish you all the very best in your post-graduate end!

MESSAGE FROM THE
DEAN OF THE FACULTY OF MANAGEMENT
STUDIES AND COMMERCE

I extend my warmest congratulations to each and every one of you who is graduating today. Your commitment to move ahead in the midst of challenges posed by the Covid-19 pandemic is highly commendable. I can assure you that all the degree programs of the faculty are designed to equip graduates with necessary knowledge, skills, attitudes, and mind-set to become visionary leaders, professionals, scholars, innovators and global citizens with a strong sense of integrity and a high commitment to sustainable development. With this milestone that you achieved, you will be stepping into a new phase in your life.

However, just graduating from University is no longer enough to face the challenges ahead to go up in the career ladder and to be successful in life. Society and Employers are increasingly seeking those with high commitment, dedication, and ethical behavior and those who have the potential to become socially conscious citizens.

So when taking these new steps I would also like to remind you that it is important to move forward with honesty, integrity, and confidence while keeping in your hearts those who helped you stand where you are today. On this foundation, your dedication and continuous learning will help you in the long run. I wish you all success in your future endeavors.

MESSAGE FROM THE DEAN OF THE FACULTY OF
MEDICAL SCIENCES

At the 48th convocation of the University of Sri Jayewardenepura (USJ) to be held today, Degrees of Bachelor of Medicine and Bachelor of Surgery (MBBS), Bachelor of Science Honours in Nursing, Bachelor of Pharmacy Honours, Bachelor of Science Honours in Medical Laboratory Sciences and Bachelor of Science in Human Biology will be conferred. On behalf of the Faculty of Medical Sciences, I offer my heartfelt congratulations to the 212 graduates.

Our faculty was established in 1993, and since then, we have taken a lead role in training an entire team of health professionals required for the country fulfilling the national need.

In keeping with the Faculty goals, the medical and health graduates produced by Faculty of Medical Sciences of USJ are enriched with the necessary knowledge, skills, attitudes and a mind set to provide health care services in any part of Sri Lanka.

Sri Lanka is now faced with a crisis like never before. We need individuals of your caliber to see us through this. The leadership qualities and the experience you have gained to face adversities and prevail will be valuable for our

country to re-emerge as an important nation in the region and the world.

The journey to acquire knowledge and skills does not end with the conferring of a degree. This journey needs to continue to proceed forward aspiring at excellence. All of you have the opportunity to enrich the lives of those around you, to serve our communities and improve the quality of life and health of its members with compassion, honesty and integrity.

While congratulating to all the graduates and their proud parents, I consider it my duty also to commend the commitment and enthusiasm of the excellent academic and the extended staff of our main affiliated teaching hospitals for the assistance they have rendered in this regard.

MESSAGE FROM THE DEAN OF THE FACULTY OF GRADUATE STUDIES

As the Dean of the Faculty of Graduate Studies of the University of Sri Jayewardenepura, it gives me great pleasure to express my congratulations to you all on the occasion of your convocation, which is a memorable event that fills you with pride, accomplishment, and joy. This moment would not have been possible without your dedication, commitment, and perseverance. We are grateful for the opportunity to facilitate this process with the capable cooperation and collaboration of all Faculties at the University.

We are grateful to everyone who has made a significant contribution to our capacity to fulfil

the mission of the Faculty of Graduate Studies, which is to produce highly qualified professionals with knowledge and skills by developing and offering cutting-edge curricula and achieving excellence in teaching, research, and scholarship through national and international partnerships for the benefit of society at large. The Graduate Studies faculty offers courses to support continuous professional development through short-term intensive courses and workshops on professional and academic topics of interest, provide on-the-job knowledge and skills for a challenging work environment, and facilitate knowledge enhancement through postgraduate degrees. Through our national and international industrial partnerships, students have made significant contributions in their respective disciplines to resolve pressing issues in the country, which are widely used by end-users. As a result of these initiatives, the Faculty of

Graduate Studies has taken on the noble goal of contributing to Sri Lanka's national development. I want to emphasize that the journey to acquire knowledge and skills does not end with a degree award but must be continued in sequence to ascend and aspire to excellence. Knowledge, skills, and positive attitudes are the keys to success for all humans. You can begin right now by adopting sustainable lifestyles that will contribute to the sustainability of yourself, the country, and the world.

I wish all who graduate as postgraduates today the best of luck in their future academic, professional, and personal endeavours.

MESSAGE FROM THE DEAN OF THE FACULTY OF TECHNOLOGY

On behalf of the Faculty of Technology, University of Sri Jayewardenepura, I offer my heartfelt congratulations to the graduating Batch of 2016/17. The Batch of 2016/17 has been an exceptional group of students, all rising to the challenges of dealing with the Covid-19 pandemic. You should be very proud not just of your academic accomplishments but also of your adaptability, determination and resilience in shifting to online learning during the significant part of your degree program.

I am overwhelmingly proud of you that words can articulate. As a Faculty, we are delighted with your success and accomplishments and we hope you will journey forward to uphold the good name of your alma mater, the University of Sri Jayewardenepura.

I believe that graduates of the Faculty of Technology are unique irrespective of their area of specialization and all of you strive to enrich the lives of those around you. As you embark upon and progress through your careers, I urge you always to remember your responsibility as a global citizen and serve our community with compassion, honesty and integrity.

Sri Lanka now needs the power of highly qualified professionals like you as we navigate troubled waters, seeking solutions

to numerous problems. We are at a major crossroads and technological advancements and Technologists will play a vital role in helping to address these issues and rebuild our country. As a Technologist with an excellent education beyond academia, I hope you take the lead in these challenging times to uplift the nation for a better future.

I will conclude this message wishing you all the best in your post-graduation endeavours, and we look forward to learning of your successes as you move through your career.

MESSAGE FROM THE DEAN OF THE FACULTY OF ENGINEERING

It is my privilege and my pleasure to congratulate the second batch of Engineers of the University of Sri Jayewardenepura. Graduates, your hard work and dedication have led you to this pivotal moment in your lives. You have demonstrated grace under pressure when balancing the demands on your time and the additional burden of a world-altering pandemic. Although new and unknown educational forms to everyone were rapidly introduced, you managed to show the adaptability to reach your goals. I couldn't be more proud of how you handled these uncertain and unprecedented times with determination and perseverance.

It is with gratitude that I appreciate all those who have been with us, the Faculty of Engineering, on this adventurous and exciting journey, the academic and non-academic staff, the authorities and administrators, the supporters, and the well-

wishers, I want to publicly recognize our faculty and staff for their numerous contributions, guidance, and their true dedication to the students.

As Engineering graduates of the University of Sri Jayewardenepura, you will leave us today armed not only with a deeper understanding of the field of engineering but equipped with critical thinking and collaboration skills that will serve you well as you pursue your career endeavours.

I hope that as you leave here, you pursue the next

phase of your careers in ways that are filled with meaning and contribute to the greater good. We look forward to the successful development of your professional career paths and wish you all the best in your future endeavours.

I hope that as you make your own choices over time, you will be able to balance your drive for achievements with a commitment to family and friends, to your community, to the nation, and to the global community.

We believe in you, we are proud of you, and we cannot wait to see what you accomplish in the years to come.

MESSAGE FROM THE DEAN OF THE FACULTY OF URBAN AND AQUATIC BIORESOURCES

Established in the year 2022, the Faculty of Urban and Aquatic Bioresources is the tenth Faculty of the University of Sri Jayewardenepura. As the Founder Dean of the Faculty, I consider it a great honour and a privilege to write this message at the 48th Convocation of the University of Sri Jayewardenepura. On behalf of the Faculty of Urban and Aquatic Bioresources, I would like to congratulate all graduates, graduating at this Convocation.

Being the first of its kind in the Sri Lankan state University system, the Faculty was established to address the pressing need for the sustainable utilization of urban and aquatic bioresources in Sri Lanka. With the current acceleration of urbanization and population growth, food and water

scarcity will be of vital concern in future, both locally and globally. In this regard, sustainable utilization of bioresources through a knowledge-based blue-green economy is a timely solution. The mission of the Faculty is to produce a professionally qualified workforce to face the challenges by means of generating and dissemination of novel knowledge to strengthen water security, sustainable food production and healthy ecosystems in the country.

Although the Faculty of Urban and Aquatic Bioresources is still at a very young stage and does not carry graduates who are being conferred with degrees at this Convocation, once again I wish all the graduates for a new chapter in their life and success in all professional endeavours.
